Wildlife and Fisheries

Act No. 3
SB 14; Cain

(Amends and reenacts R.S. 56:302.9(A)(1)). Permits individuals who possess a valid state charter boat fishing license and who were born prior to June 1, 1940, to represent themselves as a saltwater charter boat fishing guide without having to purchase a senior hunting and fishing license or a state recreational fishing license.

Act No. 27
HB 559; Pierre and Sen. Romero

(Enacts R.S. 49:191(14) and repeals R.S. 49:191(12)(i)). Recreates the Department of Wildlife and Fisheries until July 1, 2009.

Act No. 45
SB 45; McPherson

(Amends and reenacts R.S. 56:332(E)(1) and (G) and enacts R.S. 56:332(M)). Authorizes the removal of abandoned crab traps found in state-owned lakes, riverbeds, and other water bottoms of the state. Considers a crab trap abandoned when found in such location during a time when such traps are prohibited.

Act No. 50
SB 210; Barham and Reps. McDonald and Thompson

Authorizes the Department of Wildlife and Fisheries to sell or exchange 615 acres of land in Ouachita Parish with the U.S. Fish and Wildlife Service. Sanctions the sale or exchange of 341 acres in Morehouse Parish to George B. Franklin, Jr. Requires that all land be sold at appraised value with the proceeds deposited in the Wildlife Habitat and Natural Heritage Trust fund or exchanged for property adjacent to existing wildlife management areas.

Act No. 77
HB 30; Baudoin and Sen. Marionneau

(Amends and reenacts R.S. 56:104(A)(8) and 56:302.1(C)(2)(d)). Reduces hunting license fees to five dollars and fishing license fees to two dollars and fifty cents for residents who are totally and permanently disabled.

Act No. 90
HB 552; Baldone and Pierre

(Amends and reenacts R.S. 56:30.1 and 56:641.1(A)). Gives the Department of Wildlife and Fisheries the power to issue all hunting and fishing licenses electronically, including all commercial fishing licenses.

Act No. 91
HB 553; Daniel

(Amends and reenacts R.S. 56:319(A) and (D)). Requires that persons possessing or transporting live freshwater electric eel, rudd, all members of the Asian swamp eel family, walking catfishes, and all species of tilapia and carp (except common carp and gold fish) receive written permission from the Department of Wildlife and Fisheries. Prohibits the possession of piranhas or Rio Grand Chichlids within the state except by certain public aquariums and by special permit.

Act No. 176
SB 2; Dupre

(Enacts R.S. 40:940.52). Exempts commercial fishermen from having to possess a mobile food vendor's permit when selling their catch from their boat or place of residence. Requires such a permit for the sale of oysters.

(Amends and reenacts R.S. 56:8(38), 56:8(166), and 56:322(E)(4)). Defines "fish" to mean all finfish, shellfish, crustaceans, and all other species of aquatic life. Imposes a twenty-five dollar fee to use one shad net in Lac des Allemands and restricts each individual to one such net. Allows commercial fishers to take shad and skipjack by strike fishing with a shad gill net and requires that all other species caught be returned to where they were caught. Closes the commercial harvesting of shad from July to October of each year.

Act No. 380
HB 1296; Triche

(Enacts R.S. 47: 296.2 and 56:647(L)). Allows the Department of Revenue upon receiving a final and nonappealable judgment against an individual in excess of five hundred dollars to suspend, revoke, or deny an individual's hunting or fishing license until such time as the judgment is paid.

Act No. 448
HB 1133; Odinet

(Amends and reenacts R.S. 56:433(F)). Makes the culling size limits of oysters taken from natural reefs applicable year around and not simply from January first through the last day of the seasons. Continues to exempt seed oysters taken from natural reefs from the statute.

Act No. 449
HB 1155; Odinet

(Amends and reenacts R.S. 56:432). Limits the size of new oyster lease applications to one thousand acres. Increases the maximum number of acres a single person or corporation can lease from one thousand-five hundred acres to two thousand-five hundred acres. Eliminates the provision allowing those who operate oyster canning plants in Louisiana to obtain more than one oyster lease.

Act No. 450
HB 1156; Odinet

(Amends and reenacts R.S. 56:430.1(A)). Removes the requirement that the holders of oyster leases report to the Department of Wildlife and Fisheries the number of marketable oysters removed by March 31st of each year.

Act No. 451
HB 1167; Odinet

(Amends and reenacts R.S. 56:424(G)). Requires all oyster leasees who take oysters from state waters to obtain a permit in order to land those same oysters outside the state. Calls for the installation of a vessel monitoring system on any vessel that transports oysters taken from state waters to another state and directs that access to the monitoring system be given to the Department of Wildlife and Fisheries before a permit is granted.

Act No. 463
HB 1894; Wooton

(Amends and reenacts R.S. 56:302.9.1(A)). Requires motorized boats used by a charter fishing operation to have a charter boat fishing guide present and exempts non-motorized boats from this requirement.

Act No. 503
SB 715; B. Jones

(Enacts R.S. 56:410.8). Requires that all trotlines placed on Lake D'Arbonne be marked with the owner's name, address, phone number, and date of placement. Sets a maximum of fifty hooks per trotline. Calls for all trotlines to be removed when not in use and dictates that all trotlines have an eight foot long cotton leader, which will force them to sink if they are left unattended.

Act No. 504
SB 716; B. Jones

(Enacts R.S. 56:410.8). Prohibits an individual from using more than fifty yo-yos or trigger devices on Lake D'Arbonne and requires that each be tagged with the owner's name, address, and telephone number. Dictates that each yo-yo or trigger device be rebaited and checked every twenty-four hours and that any yo-yo or trigger device found in violation of these requirements be confiscated and the owner subjected to a fifty-dollar fine.

Act No. 565
HB 165; Powell and Sen. Dupre

(Amends and reenacts R.S. 56:332(K)). Changes the previous requirement that escape ring openings on crab traps be unobstructed from March 1st through June 30th to April 1st through June 30th.

Act No. 566
HB 170; Powell and Sen. Dupre

(Amends and reenacts R.S. 56:8(28)). Limits entrance funnels on crab traps to seven inches and requires that the horizontal openings to the entrance funnels on the vertical walls of the trap be at least one and one-half times the vertical diameter of the opening. Allows a commercial fisher to retain up to twenty-five finfish per day for personal consumption that are caught in crab traps.

Act No. 696
HB 991; Pierre

(Enacts R.S. 56:428.3). Requires that oysters leases temporarily affected by coastal restoration projects shall not be renewed upon expiration. Allows the owner of such a lease to submit an application to lease the same area within sixty days after the expiration of the lease. Requires that any lease granted after being terminated in this manner contain the provision that the lessee accepts the water bottoms leases in the condition that they existed on the date the new lease was issued. Declares that these new leases are subject to R.S. 56:427.1 and R.S. 56:428.2, which state that these oyster leases are subservient to any coastal restoration project, and that the United States, Louisiana, and their political subdivisions will be held harmless for any damage that may occur. Provides that the owner must submit a lease application or a notice of intent every year thereafter or any interest in the use in the water bottom shall revert back to the state.

Act No. 716
HB 1374; Daniel

(Amends and reenacts R.S. 9:2791(A)). Protects landowners against liability claims made by hunters, fishers, campers, hikers, sightseers, or boaters regardless of

whether the condition causing the harm is one normally found in the outdoors or one created by the placement of buildings or by conducting commercial activities on the property, assuming the property is not used primarily for commercial recreational purposes.

Act No. 784
SB 1024; Romero

(Amends and reenacts R.S. 56:40.9(A)). Creates within the Conservation Fund an "enforcement emergency situation response account" which is to be used by the Department of Wildlife and Fisheries for emergency situation preparedness, operations in emergency situations, responses to emergency situations, and emergency search and rescue operations. Designates that any monies recovered through civil penalties for injury to fish, birds, and wild quadrupeds be deposited into the account. Stipulates that if the balance in the account at the end of any year is one hundred thousand dollars or more that no monies be deposited in the account until the balance at the end of a fiscal year is less than one hundred thousand dollars.

Act No. 830
SB 673; Ullo and Rep. Baldone

(Amends and reenacts Section 3 of Act No. 666 of the 1997 Regular Session). Requires the State Treasurer to deposit two hundred and fifty thousand dollars in the Underwater Obstruction Removal Fund on June 30, 2007 instead of July 1, 2004.

Act No. 855
HB 469; Salter and Bruce

(Amends and reenacts R.S. 56:643(B)(2)). Requires active military personnel to show that they are a Louisiana resident before receiving a hunting and fishing license for five dollars.

Act No. 920
HB 551; LaFleur

(Enacts R.S. 56:434). Creates the Oyster Seed Bed Ground and Development Account. Authorizes the Secretary of the Department of Wildlife and Fisheries to

accept monies and material as compensation for damage done to public oyster seed grounds, seed reservations, and tonging areas. Requires that funds in the account be used to enhance the state's oyster seeding grounds.

Act No. 945
HB 1173; Triche

(Amends and reenacts R.S. 56:326.5). Changes the minimum length of bowfin that may be harvested by recreational fishers from twenty-two inches to sixteen inches. Permits commercial fishers to harvest bowfin that are twenty-two inches or longer in length.

(Amends and reenacts R. S. 56:639.8(E)). Authorizes the withdrawal of monies from the Artificial Reef Development Fund for the evaluation of the Artificial Reef Development Program.

Act No. 1026
HB 454; Jack Smith

(Amends and reenacts R.S. 56:578.10 and 56:578.11). Requires that all catfish sold in retail establishments be labeled as farm-raised or as naturally produced (wild). Prohibits fish from being sold as catfish unless they belong to the *Ictaluridae*, *Ariidae*, or *Loricariidae* families and specifically prohibits fish of the family *Pangasiidae* from being sold as catfish.

Act No. 1164
HB 2003; Baldone, Oinet, Jack Smith and Sen. Dupre

(Amends and reenacts R.S. 56:325(A)(1) and (C)). Requires the Louisiana Wildlife and Fisheries Commission to establish an open season for the commercial taking of spotted sea trout from January 2nd through the last day of July each year or until the quota is reached, whichever comes first. Establishes a quota of between one million pounds and five hundred thousand pounds (to be set by the

commission) of spotted sea trout that may be taken from Louisiana waters or landed in Louisiana. Prohibits the purchase of spotted sea trout from a commercial fishers without a spotted sea trout permit.

Act No. 1221
HB 1468; Schwegmann

(Enacts R.S. 56:6(30)). Requires the Department of Wildlife and Fisheries to make and enforce regulations regarding the importation and possession of nonindigenous reptiles and nonhuman primates. Excepts owners that can prove ownership prior to July 1, 2003, zoos, animal sanctuaries, aquariums, wildlife research centers, scientific organizations, and medical research facilities.

Act No. 1227
HB 812; Townsend

(Amends and reenacts R.S. 56:410.7). Outlaws the use of gill nets, trammel nets, and leaded gill nets that have less than a three and one-half inch bar and seven inches stretch. Prohibits the unattended use of yo-yo and trigger nets from two hours after sunrise to one-half hour after sunset. Assess a twenty-five dollar fee for the violation of the above provisions payable to the Northwest Game and Fish Preserve Commission. Gives the Wildlife and Fisheries Commission and the Department of Wildlife and Fisheries the ability to administer the Northwest Louisiana Game and Fish Preserve.

Act No. 1248
HB 1137; Townsend

(Amends and reenacts R.S. 56:103, 56:104, and 56:140). Authorizes the taking of bobcats with a big game hunting license.

HCR 89; McDonald and Downer and Sens. Barham, Gautreaux, Hines, Malone, McPherson, Romero, and Ullo

Requests that the United States Congress stops funding programs that encourage farmers to leave grain unharvested for migratory birds. Asks that the United States Fish and Wildlife Service study the effect that such programs have had on migratory birds.

HCR 216; Thompson, Wallsworth, Hammett, Kenney, and Kats and Sens. Barham, C. Jones, Gautreaux, Hines, Malone, Michot, Romero, and Ullo

Asks that the United States Department of the Interior and the United States Congress rename the Tensas National Wildlife Refuge the Theodore Roosevelt-Tensas National Wildlife refuge

SCR 20; McPherson

Requests that the United States Fish and Wildlife Service research and document the number of ducks in federal refuges in the Mississippi Flyway.

Act No. 1286

Implores the California Legislature to end the ban on the sale of raw oysters harvested from the Gulf of Mexico.

SCR 18; Dupre

Implores the Congress of the United States to improve the enforcement of food import restrictions on seafood, especially shrimp, that contain banned antibiotics, in order to prevent potentially devastating impacts on human health.

SCR 19; McPherson

Establishes a commission to develop a plan for achieving reliable long term funding for the Louisiana Department of Wildlife and Fisheries and names members to the commission.

SCR 58; Holden

Requests that the House and Senate Committees on Natural Resources meet as a joint committee to study the effects of mercury in seafood.

SCR 64; Mount

Creates the Louisiana Waterfowl Study Commission to evaluate waterfowl throughout the state, make recommendations on how to manage Louisiana's waterfowl, and names members to the commission.

Vetoed Bill

HB 2013; Townsend

Vetoed by Governor M.J. "Mike" Foster

(The bill was to amend R.S. 44:4.1(B)(1) and enact R.S. 3:559.13, 36:629(Q), and 36:919.7). HB 2013 sought to create the Louisiana Aquaculture Coordinating Council, which was to oversee aquaculture in the state. Specifically, this council was to devise a regulatory framework for sustainable development of aquaculture in Louisiana and recommend to the Commissioner of the Department of Agriculture and Forestry which species were suitable for aquaculture and how they should be regulated. The bill gave the council the authority to hold hearings regarding the breach of regulations created by the council and to recommend appropriate civil penalties. In addition, HB 2013 gave the commissioner specific authority to adopt regulations, collect fees, institute civil proceedings, issue licenses, conduct inspections, and seek injunctive relief. The bill also provided guidelines for deciding which species could be used for aquaculture and gave the Department of Wildlife and Fisheries the right to inspect aquaculture facilities and ensure regulatory compliance. In his letter accompanying the veto of HB 2013, Governor Foster cited the importance of protecting the state from the introduction and escape of invasive species. Also, he argued that the bill violated the Louisiana Constitution, which vested control of Louisiana wildlife to the Wildlife and Fisheries Commission, not the Department of Agriculture and Forestry.

Environmental Quality

Act No. 8

SB 15; Dupre and Rep. Pitre

(Amends and reenacts R.S. 40:1156). Requires that the Secretary of the Department of Health and Hospitals determine guidelines for the installation and maintenance of individual aerobic sewage

treatment-systems by homeowners and waive fees charged to commercial septic system installers for homeowners.

Act No. 120

HB 1396; Thompson, Hill, LaFleur, Moorish, Baudoin, Bruce, DeViller, Downs, Frith, Fruge, Hudson, Iles, Kenney, Jack Smith, Strain and Sens. Gautreaux, Hines, Hoyt, Theuissen, and Thomas

(Amends and reenacts R.S. 3:3210(C)(5), 3:3221(A), and 3:3251). Increases the annual fee for various pesticide registration, licensing, and certification requirements. Mandates that the monies in the Pesticide Fund pledged to secure the repayment of revenue bonds not fall below the levels existent at the time of the pledge.

Act No. 154

HB 175; Bruneau and Katz

(Amends and reenacts R.S. 40:31.33(A)). Changes the method of assessment of the safe drinking water administration fee from three dollars and twenty cents per service to three dollars and twenty cents per metered connection or account for community systems. Excludes metered connections or accounts that are not involved in providing drinking water from the fee.

Act No. 165

HB 875; Damico and Sens. Fontenot and Cain

(Enacts R.S. 30:2050.7(E)(4)). Permits the Secretary of the Department of Environmental Quality to enter into settlements that require respondents to make payments to the Central States Air Resources Agencies Association or the Southern Environmental Enforcement network.

Act No. 217

SB 402; Fontenot

(Amends and reenacts R.S. 30:2012(D)). Gives the Department of Environmental Quality greater freedom in developing guidelines for compliance inspections. Removes the requirement that inspections be completed at least once annually. Allows the Department to develop guidelines for

compliance inspections based on facility compliance history, facility location, and the potential environmental impact among other factors.

Act No. 280
HB1170; Damico

(Amends and reenacts R.S. 30:2158(A)(2)(b) and 30:2226(H)(1)). Requires that those individuals seeking permits to build new sanitary landfills or expand existing sanitary landfills prevent groundwater contamination through migration. Dictates that the Department of Environmental Quality should consider the use of innovative technologies such as horizontally or vertically positioned high-density polyethylene that is impermeable to water for preventing the contamination of groundwater. Encourages the use of these technologies in abandoned sites.

Act No. 382
HB 1334; Beard

(Enacts R.S. 30:2074 (B)(9)). Instructs the Secretary of Environmental Quality to establish and administer a point source-to-point source effluent reduction credit banking system for the state's watersheds where total maximum daily load limitations are in place. Requires the Secretary of Environmental Quality to provide for the administration of the banking system, limit the trading of credits to the same watershed in which the credits are earned, establish pollutant specific credits, require program participants to monitor water quality, and limit participants to only using credits earned by other participants to twenty months within any twenty-four month period.

SCR 15; Gautreaux, Lambert, McPherson and Rep. Murray

Recreates and continues the study commission for the implementation of President Bush's Global Climate Policy Change Initiatives in Louisiana. Appoints members to the commission. Requests that the commission identify opportunities for voluntary greenhouse gas emission reductions, identify the potential for carbon sequestration, identify the potential impacts of climate change on the state, and assess risks to public health.

SCR 38; Fields

Requests that the Department of Health and Hospitals, the Department of Environmental Quality, the Department of Wildlife and Fisheries, the Department of Agriculture and Forestry, and the federal Agency for Toxic Substances and Disease Registry jointly study the health risks to humans, wildlife, and fisheries located within close proximity to facilities involved in the handling of hazardous waste.

Act No. 441
HB 886; Damico

(Enacts R.S. 30:2066). Authorizes the Department of Environmental Quality to collect a fee from major emitters of volatile organic compounds or nitrogen oxides that are located in severe or extreme ozone non-attainment areas that fail to meet the national primary ambient air standard by the year 2005.

Act No. 542
SB 693; Ullo

(Enacts R.S. 33:4735). Requires that local governing authorities in cities with a population between four hundred fifty thousand and four hundred sixty thousand notify the senators and representatives in that district of any request for a hazardous waste zoning variance.

Act No. 582
HB 522; Jane Smith, Damico, Montgomery, Paychaud, Waddell, and Wooten

(Amends and reenacts 30:2418(I) and enacts R.S. 30:2418). Prohibits a waste tire processor from requesting funds from the Waste Tire Management Account unless the waste tires are generated and processed in Louisiana. Requires those that sell new tires to remit the fees collected to the Waste Tire Management Account in a timely fashion. Bars those who fraudulently collect funds from participating in the program again.

Act No. 666
HB 1321; Carter

(Enacts R.S. 40:1300.171 and 40:1300.172). Creates a working group to establish an Environmental Health Surveillance System. Requests that technical experts from the Department of Health and Human Services and the Department of Environmental Quality develop approaches to establish the system, develop the health and environmental measurements necessary to obtain a picture of the health of the citizens of Louisiana, and establish a database that facilitates the examination of the relationship between chronic diseases and the environment.

Act No. 789
SB 1080; Ellington and Sens. LeBlanc and Murray

(Amends and reenacts R.S. 30:2418(G) and enacts R.S. 36:104). Requires that five percent of the funds from fees collected from new tire sales be used to develop products that have a marketable and beneficial use and are made from recycled tires.

Act No. 918
HB 545; Daniel

(Enacts R.S. 30:2054(B)(2)(b)(ix)). Prohibits the Secretary of Environmental Quality from issuing a permit by rule for less than one hundred and eighty days for any facility, which is a new major stationary source or a major modification to an existing source subject to the New Source Review Requirements of the federal Clean Air Act. Forbids the Secretary from establishing permit regulations for facilities that emit less than five tons of any regulated pollutant defined by the Clean Air Act per year, less than fifteen tons of all pollutants combined per year, or less than the minimum emission rate established by R.S. 30:2060, unless a permit is required under the federal Clean Air Act.

Act No. 950
HB 1281; Baldone and Peychaud

(Amends and reenacts R.S. 10:2586(C)(2), 13:2587.1, 32:414, 30:2522, 30:2531, 30:2535, and 30:2544). Increases fines for intentional litter. Enacts fines for simple

littering. Defines simple littering as creating a condition that an individual knew or should have known would result in littering.

Act No. 1127
HB 1733; Damico

(Amends and reenacts R.S. 30:227(3) and enacts R.S. 30:2272 and R.S. 30:2277). Provides purchasers a defense to penalties imposed for the release of hazardous waste provided the purchasers had reasonably inquired into the former owners and uses of the property before making the purchase and did not know of the presence of any hazardous waste at the time of the release.

Act No. 1166
HB 1932; Daniel

Requires that anyone filing suit for the pollution of ground water inform the Department of Natural Resources and the Department of Environmental Quality of the suit. Gives these agencies the authority to intervene in the suit. Allows the court, upon a finding that ground water contamination exists which poses a threat to public health, to order the responsible party to deposit the funds necessary to carry out the plan in the registry of the court. Allows the harmed party to recover reasonable attorney's fees and expert witness fees directly relating to the contamination of ground water claim in addition to damages.

Act No. 1176
SB 174; Hanikel

(Amends and reenacts R.S. 30:2157.1). Requires applicants seeking a Type One or Type Two solid waste permit to obtain certification from the local fire department and the local hospital stating that they can meet the emergency needs of the applicant. Allows the Department of Environmental Quality to issue the permits even if prior certification is not obtained, provided that the Department considers the potential emergency needs of the applicant.

Act No. 1196
SB 577; Fontenot and Rep. Thompson
